

## Club Booth Application for Syracuse Technology Week

Syracuse Tech Week and Advanced IT is proud to support local science and technology clubs in the Syracuse area who promote learning about technology by offering a free display booth of your club on **Friday April 26<sup>th</sup> from 3pm – 7pm** during Syracuse Technology Week. With limited space a selection process will be used to determine eligibility. Each applicant will need to answer a few questions. Clubs will be awarded a booth table if space is available. Having a booth at Syracuse Technology Week provides many benefits including **exposure to sponsors, displaying success, encouraging and inspiring members, attracting new members, and getting ideas from other clubs.**
